Local Control Accountability Plan and Annual Update (LCAP) Template

[Addendum](#): General instructions & regulatory requirements.

[Appendix A](#): Priorities 5 and 6 Rate Calculations

[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Contact Name and Title	Email and Phone
Washington Colony Elementary School District	Jesus Cruz Superintendent	jesuscruz@washingtoncolony.org 559.233.0706

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

The Washington Colony School District K-8 was organized May 15, 1879. It is located in a rural region southeast of Fresno in the community of Easton. Washington Colony has gone through many changes over the years. It started as a combination high school and grammar school. As enrollment increased, the high school was separated from the grammar school and new buildings were constructed.

A Superintendent/Principal heads the staff. A full time Assistant Principal completes the administrative staff. The full time instructional staff is comprised of nineteen classroom teachers, a band/classroom music teacher, full time PE teacher, two district Resource Specialist Program (RSP) teachers and one Special Day Class (SDC) teacher (with aide). The support staff includes one Fresno County of Education psychologist and online speech therapist, 2 part time classroom aides support the instructional staff in the TK/Kindergarten classrooms and Reading Lab . Finally, our state funded pre-school is staffed with a teacher/supervisor and four instructional aides, two of whom are bilingual. Our program begins with a state funded pre-school with an enrollment of 48 students. The program is housed on site and provides two sessions a day, one in the morning and one in the afternoon. Washington Colony school has a Reading Lab in order to increase reading level, with two credential teachers and two bilingual instructional aides who help with reading lab.

All members of the Washington Colony teaching staff are properly credentialed with no vacancies or misassignments. All classroom teachers possess either CLAD or SDAIE certification.

There are approximately two classrooms per grades Kindergarten through 8th grade, one of the Kindergarten classes is a combination class of Transitional Kindergarten, with a total of 441 regular education students. There are about 6 students in our SDC class. Other classrooms include music/band room, library, one special education classroom, and a large portable shared by the RSP staff. An After School Program is provided daily in the cafeteria and various classrooms.

Mobility rate is very low at Washington Colony with the attendance rate averaging about 96%. Approximately eighty-seven percent of our K-8 students receive free or reduced breakfast and/or lunches. Ethnicity data for Washington Colony School District indicates that the student population is made up approximately of: 90% Hispanic or Latino, 7% White, 2% Asian, and 1% Multi-Ethnic. There are approximately 151 EL students. Among these are Spanish & Hmong speaking students. English Language Development instruction is delivered daily for a minimum of 30 minutes by classroom teachers. Instructional aides, under the supervision of a certificated teacher, work with EL students daily by providing supplemental English Language Development (ELD) instruction and academic support in the primary language as needed.

Washington Colony is a School-wide school. Funding is composed of Title I Part A, Basic Grant, LCFF, Title II Part A Teacher Quality, Title III and Title IV part A. Instructional aides in K classrooms provide additional help with basic skills for students requiring assistance. Our aides provide daily assistance in the area of language arts and math for students requiring supplementary help beyond the core curriculum to meet the grade level objectives.

Washington Colony is a K-8 district. The following metrics do not apply, A-G, CTE, AP, EAP, High School Dropout and Graduation Rates.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

Washington Colony has expanded its supplemental resources. Goal 1 Actions and Activities address all areas for student academic achievement in ELA/ Math and ELD; and how to increase level of English Proficiency for English Learners. This year's LCAP highlights the following initiatives that are targeted for student academic achievement including the new Math, ELA/ELD adoption, technology integration with Chromebook to student ratio of 1:1 school-wide and a full installation of SMARTBoards in all K-8 classrooms and Higher Internet speed, Reading Lab, (Full time Music teacher, Full time PE teacher in order to create additional PLC and Collaboration time for research-based best practices) a new redesigned Reading Lab with two part-time teachers, two additional bilingual Instructional aides; Early Literacy resources and staff support, a robust professional development plan, Accelerated Reader (AR) Program and a successful Positive Behavior Intervention & Supports (PBIS) program; SILVER Model School Award 2016-17 and GOLD Model School Award in 2017-18 school year.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Based on the review of state and local performance indicators as reported in the ELA/MATH CA Dashboard data for Fall 2017; there is a positive increase in points for all students scoring in ELA and MATH. Washington Colony has seen positive growth and progress toward the LCAP goals according to the LCFF evaluation rubrics. The CA Dashboard data for the MATH results have

shown progress for all students and have increased significantly scoring "Yellow" for all groups with the exception of Students with Disabilities that earned an "Orange" performance level. Washington Colony has implemented a daily effective intervention program and supports for Reading and in Math with the after school program tutoring throughout the year. Another great accomplishment for Washington Colony when compared to previous years SBAC data and state performance indicators for ELA and MATH, is the Students with Disabilities group that went from scoring "Red" in ELA to scoring "Orange" and increased significantly 18.2 points in ELA and an increase of 12.3 points in Math. As measured and reported by CA Dashboard, the English Learners group has shown growth and an increase of 9.4 points in the area of ELA and increased significantly 18.1 points in the area of Math scoring "Yellow" in both areas. Also based on CELDT and local assessment data our reclassification percentage has improved this year. Another state performance indicator shown in the CA Dashboard Data is the Suspension results scoring "Yellow" for all students and "Green" color for the English Learner group showing a significantly decline in suspensions. The district has invested in a ELA/MATH robust professional development for teachers and provide weekly PLC collaboration opportunities. With the new hiring of two part-time intervention teachers, two bilingual instructional aides and supplemental implementation of a new Reading Lab, and STAR/AR reading programs, have shown improvements for low-income students, English Learners and foster youth. Another big improvement for these student groups is the technology increase and accessibility. All of our students have daily access to a chromebook device for ELA/ELD and Math instruction. In addition, all K-8 classrooms have interactive SMARTBoards and higher internet speed. Our school climate has also shown improvement over the past two years by implementing for the third year in a row the Positive Behavioral Intervention & Supports program (PBIS). This Spring 2018 our school received the PBIS GOLD model school award. In addition, our school continues striving for the increase of parenting education courses and parent engagement opportunities. Therefore, English Language Learning software programs were added this year to keep parents connected with school. This year the district made available Aeries Parent Portal for grades 6th - 8th.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Based on the State Performance Indicators, Washington Colony Elementary School District does not have any Overall performance in "Red" or has not received a "Not Met" for any local indicators. However, the results of the CA Dashboard Performance indicators for Fall 2017 show improvement is needed with respect of the English Learner Progress Indicator (ELPI) is low at "Orange" 63.8% and English Language Arts is at 51.7points below level 3. For ELA our indicator is "Orange" overall for all students including Students with Disabilities group. The homeless student group has the lowest performance level of all groups for ELA CAASPP results with the indicator of "Red" at 71.8 points below level 3. To address this need Washington Colony will provide additional instructional support personnel at early primary grades and will hire this year a Literacy ELA/ELD Coach and continue with the 2 Part-time Intervention Teachers and 2 Bilingual Instructional Aides for the Reading Lab and additional EL support including a Library Aide. In addition, Special Ed Teachers will continue to create a Collaborative Intervention model with Regular Teachers and Reading Lab Intervention Teachers that includes teaching strategies, intervention materials and data analysis every four weeks. It is our expectation that students will receive the extra reading daily small group reading support to reduce the largest reading gap and the expectations of these services will result in increased performance of students on the ELA CAASPP over the course of the next two years.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Based on the CA Dashboard Report, Washington Colony has identified a performance gap of two or more levels below among "all student" group and the Homeless group in the Suspension Rate Indicator. The Suspension Rate indicator is "Yellow" overall for "all student" group and "Red" for the Homeless group. Therefore, as stated in Goal 2 Action 2a, Washington Colony will provide materials and supplies to implement behavior improvement and character education programs; implement Positive Behavior Interventions and Supports (PBIS) to allow all students to achieve social, emotional and academic success.

In addition, Based on the ELA CAASPP results, the Homeless group has the lowest performance scoring in "Red" compared to all subgroups. Although, the homeless group is not performing 2 or more performance levels below in ELA, the district has identify a need to address this ELA performance gap in "Red". In order to address this performance gap, it is stated in Goal 1 Action 2a. Washington Colony hired and retained a 1 FTE Music Teacher and 1 FTE Physical Education Teachers. This action and service will provide teachers with release time and facilitate grade level Professional Learning Communities that focus on data driven instructional decisions and use research-based best practices for instruction and collaborate with the new Literacy ELA/ELD coach. It is our expectation that this services will result in increased performance of students on the ELA CAASPP over the course of the next three years. In addition to Action 2a. It is also stated it in Action 3a that Washington Colony will provide additional instructional support personnel at early primary grades and in Action 6a. the district will hire a new Literacy ELA/ELD Coach . Also the district will continue with the 2 Part-time Intervention Teachers and 2 Bilingual Instructional Aides for the Reading Lab and additional EL support including a Library Aide. In addition, Special Ed Teachers will create a Collaborative Intervention model with Regular Teachers and Reading Lab Intervention Teachers that includes teaching strategies, intervention materials and data analysis every four weeks. It is our expectation that students will receive the extra reading daily small group reading support to reduce the largest reading gap and the expectations of these services will result in increased performance of students on the ELA CAASPP over the course of the year and consecutive years.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved services

"See LCAP Highlights"

Budget Summary

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures For LCAP Year	\$5,257,477.00
Total Funds Budgeted for Planned Actions/Services to Meet The Goals in the LCAP for LCAP Year	\$3,579,496.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

Actions and services budgeted in general fund for the LCAP year that are not included in the LCAP expenses include: Superintendent/Assistant Superintendent costs, district/office staff(secretaries/nurses/noon time aides), non instructional supplies, travel/conferences/dues for staff and board; non instructional operating costs (delivery/mail, professional services (audit, legal, insurance) equipment replacement and tuition and transfers out to other funds

Washington Colony's Dashboard data indicator shows Yellow overall and Orange and Red for ELs and Students with Disabilities low performance in ELA and Math CAASPP reports. To address this need Washington Colony will Provide 21st Century learning skills and environment by updating, upgrade and replace technology, e.g. chromebook carts with classroom furniture, computers, Interactive White Boards, wireless access and security required to enhance critical thinking and the use of research-based best practices in instruction. It is our expectation that these services will result in increased performance of unduplicated pupils, English learners and Students with Disabilities on the ELA/MATH CAASPP over the course of the next three years.

The district undated, upgraded and replaced technology, e.g. chromebook carts with classroom furniture, laptop computers, Interactive White Boards (20 SmartBoards purchased), wireless access and security required to enhance critical thinking and the use of research-based best practices in instruction. These services resulted in increased performance of unduplicated pupils, English learners and Students with Disabilities on the ELA/MATH CAASPP over the course of the year.

Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>6a.) The Washington Colony's results of the CA Dashboard ELA/MATH Performance indicators show improvement is needed with respect of our English Learners and Students with Disabilities groups. CAASPP over the course of the year.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The overall implementation of the goals, actions/services to achieve the proposed goal were established as expected. The hiring and retaining of the 1 FTE Music Teacher, 1 FTE Physical Education Teacher, two Part-time Intervention Teachers for the Reading Lab, two bilingual instructional aides, a new library Aide, and the implementation of a robust Professional Development for Teachers and the Increase Technology and support in the classrooms was essential in order to accomplish the intended goal for all students to increase achievement and proficiency levels in ELA, Math, and ELD; increase of English Proficiency for English Learners.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Based on the review of state performance indicators as reported in the ELA/MATH Dashboard Fall 2017 data report, there was an increase in positive points for all students including English Learners and Students with Disabilities. The Metric/Indicator in Math points increased from level 3 was met. The overall Math growth was of 14.3 points in comparison to the baseline MATH growth of 13 points possible in one year. There is only one exception of the State Standardized Assessments as measured by 2017 ELA scores and distance from level 3. The district metric/indicator was set to increase 9.7 points as the Dashboard ELA results indicated only a growth of 2 points was gained. Also, the other state performance indicator included in the Dashboard data is the English Learner Progress results and proficiency progress for English Learners scoring in orange. In addition, based on the CELDT results and local assessment data our reclassification percentage has improved this year to 1% compare to 11% last year. The district has invested in a robust ELA/MATH professional development for teachers and provided weekly PLC collaboration opportunities. With the implementation of the new hired part-time intervention teachers, two bilingual instructional aides, supplemental implementation of the

Reading Lab, STAR/AR reading programs and the newly installation of the SMARTBoards and software Technology, have shown improvements for low-income students, English Learners and foster youth.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

In action 5a there are significant material differences between budget expenditures for this goal as stated above in comparison to the estimated actuals expenditures. The district emphasized this action 5a and addressed this need by providing 21st Century learning skills and environment. The district undated, upgraded and replaced technology, e.g. chromebook carts with classroom furniture, laptop computers, Interactive White Boards (20 SmartBoards purchased), wireless access and security required to enhance critical thinking and the use of research-based best practices in instruction. These services resulted in increased performance of unduplicated pupils, English learners and Students with Disabilities on the ELA/MATH CAASPP over the course of the year. In addition, there is a significant difference in Action 4a of Budgeted Expenditures of \$82,530 in comparison to the Estimated Actual Expenditures of \$44,842 for 2017-18. The district over budgeted in this section; however, the district will continue next year to purchase more supplemental reading materials and to expand the selection of library books for the newly implemented Accelerated Reading (AR) program and provide supplemental resources for the Reading Lab. The material differences of the over budgeted expenditures in Goal 1 4a. will be budgeted for 2018-19 in Goal 3 Action 2a. for the replacement of the static marquee to a digital messaging marquee in order to increase parent communication and parental involvement.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the results of the metrics/indicators, data analysis and evaluation of rubrics and the overall effectiveness of the goals, actions and services toward academic performance achievement in the CA Dashboard report from Fall 2017, Washington Colony made positive progress in all ELA/MATH areas for all students and Met all Local Performance Indicators. Our school does not have any Overall Performance in "Red". However, it has been identified the academic needs and reading gaps for SED, English Learners and Students with Disabilities and Homeless students that have been addressed in Goal 1 Actions 2a - 6a. Therefore, the allocation of funds for all additional hiring and retaining of the 1 FTE Music Teacher, 1 FTE Physical Education Teacher, Two Part-time Intervention Teachers for the Reading Lab, two bilingual instructional aides, a library aide and the implementation of a robust Professional Development for Teachers and increased of Technology hardware including latest instructional technology such as the addition of all new SmartBoards for K-8 classrooms, and new MacBooks for classroom instruction can be found in Goal 1 Actions 2a - 6a. It was also noted that based in the metric/indicator

7-State Standardized Assessments as measured by ELA scores Distance from level 3 was not met. Therefore, CA Dashboard data shows "Orange" overall for all students including English Learners and for Students with Disabilities groups. These two groups have the lowest performance of all groups on the ELA CAASPP results. In order to address this need Washington Colony will provide additional instructional support personnel at early primary grades and will hire a new Literacy ELA/ELD Coach Full-time for the purpose on assisting classroom teachers and other staff in the implementation of ELA/ELD standards based instruction aligned to the claims and targets in SBAC for unduplicated students (reflected in Goal 1 Action 6a).

Also, based on the increase of minimum wage and increased of statutory benefits, Washington Colony has an increase to the Budgeted expenditures in Goal 1 Action 3a of \$7,957 for the Classified Personnel Salaries as compared to the previous year.

Additionally, we should note the ELPI was incorrectly reported as the baseline data for 2014-15. The correct baseline data is 58.21% for 2015-2016. This will be addressed with baseline and target data revised in the Goals, Actions, And Services section of this plan as well.)

Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>2a. The results of the CA Dashboard Suspension indicator show improvement is needed with respect of our English Learners and Students with Disabilities groups. Our indicator is Green overall and Yellow for ELs and Students with Disabilities groups. These two groups have the highest suspension rates of all groups on the Washington Colony's Dashboard suspension data. In order to address this need Washington Colony will provide support staff, trophy case, materials and supplies to implement behavior improvement and character education programs; implement Positive Behavior Interventions and Supports (PBIS) to allow all students to achieve social, emotional and academic success. It is our expectation that this services will result in a steady decrease on suspensions for English Learners and Students with Disabilities over the course of the next three years.</p>	<p>2a. This need was addressed and Washington Colony provided support staff, trophy case, materials and supplies to implement behavior improvement and character education programs; implement Positive Behavior Interventions and Supports (PBIS) to allow all students to achieve social, emotional and academic success. improvement is needed for the unduplicated students with respect of absentism rate. Our indicator shows that Washington Colony is at 12% Chronic Absenteeism. The attendance data indicates the unduplicated population have the highest Chronic Absenteeism rates. To address this need Washington Colony will create an attendance weekly monitoring system and provide supplemental materials, supplies and a series of attendance incentives for classroom daily 100% attendance. Additional playground supplies and equipment and maintain quantity and quality of student co- curricular and extra-curricular activities including trips, clubs and district-wide events to improve positive school climate and culture. It is our expectation that this services will result in a increase participation of unduplicated pupils to this extracurricular activities over the course of the next three years.

materials, supplies and a series of attendance incentives for classroom daily 100% attendance. Additional playground supplies and equipment and maintain quantity and quality of student co- curricular and extra-curricular activities including trips, clubs and district-wide events to improve positive school climate and culture. The expectations to reduce chronic absenteeism are not yet met. The district will continue with the expectation to reduce the chronic absenteeism that reflects an increase of 9.9% in Chronic Absenteeism rate. The district will continue with an increase participation of unduplicated pupils to this extracurricular activities over the course of the year.

Action 4

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The overall implementation of the goal's actions/services to achieve the proposed goal were established as expected with the exception of the chronic absenteeism rate that needs to decrease more over time. Even though Chronic Absenteeism reflects a 9.9% the district continues to address the Truancy Intervention initiatives in order to reach our proposed expected goal to be reduced to 5.5%. Therefore, due to the current contract with FCSS for Truancy Intervention Program, Washington Colony made progress this year by providing support staff, materials, supplies for the PBIS program, perfect attendance incentives and field trips in order to accomplish the intended goal for unduplicated students to reduce the chronic absenteeism. Washington Colony will continue to address the needs in order to increase a positive school climate and maintain facilities in good repair.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Washington Colony's CA School Dashboard suspension rate data from the Fall 2017 shows improvement and the indicator is yellow for "All Student" group with a decline significantly of -1.1% and a big improvement for the English Learner group that shows a significantly decline of -1% and the indicator is green. The expulsion rate indicator remains at 0% for this year with no expulsions. Our Williams Facility report target was met in order to maintain a rating from good to excellent. The Metric/Indicators results show a facilities improvement and a positive school climate met over the course of the year. Therefore, by Providing all actions and services to achieve the articulated goal, it is evident that the implementation of the support staff, materials, supplies, perfect attendance incentives to implement behavior improvement and character education programs; the implementation of a Positive Behavior interventions and supports (PBIS-GOLD School Model Award year 3) to allow all students to achieve social, emotional and academic success, maintaining quantity and quality of students co-curricular and extra curricular activities including field trips, clubs, English Learners Student Recognition and district-wide events to improve positive school climate, all these actions and services have shown an evident increase of positive school climate in Washington Colony.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There are two significant material differences between budget expenditures for this goal as stated above. In Action 1a it was budgeted \$8,274 and the estimated actual expenditures reflected \$1,552 that were used to fully pay the Truancy Intervention Program (TIP) officer and program implementation. Therefore, Action 1a was originally over budgeted due to the cost of the services of the TIP officer were only changed in this action. Also in Action 3a there is a difference between budgeted expenditures of \$12,450 and estimated actual expenditures reflected \$3000. This implies that most of the funding in this Action 3a. was utilized for supplemental materials, supplies and a series of attendance incentives for classroom daily 100% attendance and less for extra-curricular field trips. Therefore, Washington Colony will provide transportation for extra-curricular, educational and enrichment field trips as stated in Action 6a of Goal 2. Therefore, Action 6a was over budgeted and there is material difference since Washington Colony had few less extracurricular field trips. Next year 2018-19 unduplicated students will be recognized with additional educational field trips as they make growth in the SBAC ELA/MATH scores to Met and Exceeded in Spring 2018.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Based on the result of the evaluation metrics/indicators and the overall effectiveness of the goal's actions/services toward achievement of the goal and as stated in the action 3a for the Chronic Absenteeism metrics, the school will continue to address the Chronic Absenteeism as stated and will be addressed in Goal 2 Actions 3a through 6a. In addition, The District will continue to contract with FCOE the Truancy Intervention Program (TIP) Officer. Therefore, to address this need Washington Colony will continue with the weekly PBIS perfect attendance incentive program and weekly monitoring system and provide supplemental materials, supplies, and a series of attendance incentives for classroom daily 100% attendance including perfect attendance field trips and extra-curricular, educational and enrichment field trips. It is our expectation that his services will result in a continued decline of Chronic Absenteeism rates, and increase of attendance rates for unduplicated students over the course of the next school year 2018-19 and consecutive years. Also, this year there is a modification in Action 2. due to incorporating the Visual And Performing Arts VAPA activities and Family Arts Night, provide support staff, trophy case, stage curtains and podium for unduplicated students' presentation and performing supplemental arts instruction that includes materials and supplies in order to promote behavior improvement and character education programs. Unduplicated students will participate in these visual and performing arts supplemental activities. Students will showcase their visual and performing arts projects and display them in the trophy case along with any VAPA awards and trophies won in district and county competitions as a way to keep them engaged and motivated to improve behavior and to keep reducing suspensions.

Annual Update

increased of 5% parental engagement over the course of the next three years for the parents of our unduplicated students.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The overall implementation of the goal's actions/services to achieve the proposed goal was establish as expected. Parent Engagement in one of the district's goal priorities. The district continues to provide a series of parent education offerings throughout the year. The district has contracted with FCOE for parent workshops and Parenting Partners workshops. In addition, during this workshops, materials, supplies, staff hours, and childcare were provided for parent education activities. This year the district purchased English Language Learning Intermediate Rosetta Stone software and equipment for Parent English classes, and provide Parenting Partners curriculum and provided training for staff and additional staff hours for attending Professional Development and training.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

As stated on the metric/indicators, in action 3a) parent education offerings have increased from 23 to 30 in two years which is more than 5%. In 2015-16 Washington Colony school offered 23 educational workshops for parents. In 2016-17 we offered 28 parent education workshops. This year 2017-18 we offered 30 parent educational workshops which is 7% more than last school year. Due to our high unduplicated student population, the district continued to provide interpreter/translator services for districtwide activities, newsletters, parent teacher conferences and constant English/Spanish communication through the blackboard connect rob-calls.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The estimated expenditures were established as expected. Only Budgeted Expenditures in Action 2a. were lower than expected. The replacement of the static Marquee with digital messaging is in progress due to an increase in cost for the installation. Therefore, the material differences of the over budgeted expenditures in Goal 1 4a. will be budgeted for 2018-19 in Goal 3 Action 2a. for the replacement of the static marquee to a digital messaging marquee in order to increase parent communication and parental involvement.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The district will continue to maintain the parent education offerings approach and to increase parent communication in order to meet the Local School indicators based on parent surveys and metrics. The metrics have been identified in Goal 3 Action 1a, 2a & 3a. Last

year 2016-17 it was under budgeted the cost of the replacement to the static marquee to a digital messaging marquee, therefore, the budgeted expenditures in Goal 3 Action 2a have been increased to \$50,000 in order to cover the full cost of the project. It is our expectation that this marquee project and the parent services will result in an increase of parental engagement over the course of the next school year 2018-19 and consecutive years.

Stakeholder Engagement

LCAP Year: 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

In 2017--18 stakeholder groups were presented with information by administration for discussion regarding the LCAP Process, Progress, Actions and Activities.

Throughout the year updates to the LCAP and opportunities for input were provided. Input gathered from meetings and surveys were reviewed by District administration and analyzed to ascertain priorities for inclusion in the LCAP.

LCAP updates were presented to the School Site Council at the following meetings; October 2, 2017, December 11, 2017(CA Dashboard Data), and March 5, 2018.

LCAP updates were presented to the Board of Education at the August 8, 2017, September 12, 2017 regularly scheduled board meeting in order to present each goal, expenditures, actions and activities. In addition, on October 10, 2017 Regular Board meeting, the CA DASHBOARD Local Performance Indicators status were presented to the Board of Education.

On October 18, 2017 and February 2, 2018 the LCAP team met and presented information pertaining to LCAP goals and an update to the District and School English Learners Advisory Committee D/ELAC members of actions implemented (to that date).

On March 14, 2018 D/ELAC members were invited to the stakeholders meeting whereby CA DASHBOARD and school data was shared; the steps to develop the LCAP encompassing the state priorities presented, and participants were given the opportunity to complete a survey.

A public hearing to solicit recommendations and comments of the public regarding the specific actions and expenditures proposed to be included in the LCAP was held on June 12, 2018 during a Regular Board Meeting. A final meeting with the Leadership Team and a Staff/CTA bargaining unit representative was held on June 4, 2018. The LCAP Draft was presented at a SSC meeting June 4, 2018. The public comment period was established during the posting of the LCAP on the school's website from June 8 to June 26, 2018. WCTA representative also received a copy of the LCAP Draft on June 26, 2018. The LCAP Board Approval date was June 26, 2018.

A series of LCAP input meetings occurred in March and April 2018. On March 14, 2018 Computer Parent Group/DELAC Parents. WC Classified Employees LCAP input meeting took place on April 3, 2018 and the All stakeholders LCAP input meeting took place

on April 4, 2018 including students, staff, and community members were invited to all of these stakeholder meetings held in the school cafeteria. The District LCAP team presented an LCAP update and accomplishments with a PowerPoint presentation that included CA DASHBOARD State Performance Data, progress to date toward goals, actions, and services. Qualitative and quantitative data supporting annual measurable outcomes were discussed.

On April 4, 2018 another LCAP input meetings occurred. The district LCAP team met with WC Teachers group in the conference room. The District presented an LCAP update and accomplishments with a PowerPoint presentation that included CA DASHBOARD State Performance Data; progress to date, toward goals, actions, and services. Qualitative and quantitative data supporting annual measurable outcomes was discussed. Teachers were given the opportunity to write their input on an LCAP input form.

On April 6, 2018 the district LCAP team met with the Student Council to provide and update and LCAP highlights of Goals, actions & services. Student Council were given a presentation how the school has made progress over the past two years by implementing the actions and services in the LCAP. Student Council members were given the opportunity to provide input. Students concluded to add new classroom furniture.

On April 9, 2018 The LCAP district team met with school site council/DAC to seek input and suggestions and presented the LCAP update and accomplishments with a PowerPoint presentation that included CA DASHBOARD State Performance Data; progress to date toward goals, actions, and services. Qualitative and quantitative data supporting annual measurable outcomes was discussed.

On April 10, 2018 Mr. Cruz and the LCAP team provided a presentation to the Board of trustees to seek input and present three year LCAP and update accomplishments with a PowerPoint presentation that summarized DASHBOARD State Performance Data, LCAP goals, actions, and services for the current year. Qualitative and quantitative data supporting annual measurable outcomes was discussed.

On May 17, 2018, an LCAP survey was made available to parents, students, staff and community members both online and via hard copy. During Open House, chrome books were made available in the cafeteria to facilitate completion of the survey. The District received printed responses and other responses on line.

On June 14th, 2018, the DELAC parents reviewed the most recent draft of the LCAP. Parents were presented with Goals/Actions/Services. Parents were in agreement with keeping Actions and Services for Goals 1, 2 &3. Parents emphasize to keep the new Reading Programs, Reading Lab Intervention Teachers, the hiring of a new Literacy ELA/ELD Coach, support staff and technology in the classrooms as stated in Goal 2a - 6a. In addition, to Goal 3a to keep the English Education workshops for parents. There were no written comments submitted to the superintendent for written response on this meeting.

On June 4, 2018 the DAC committee of parents reviewed the most recent draft of the LCAP. Input from the meetings were analyzed and considered as part of the LCAP update process. Parent members from our School Site Council and DELAC represented our DAC. The SSC and DAC committee suggested to continue looking into replacing the static marquee to a new digital messaging

marquee as it was planned 3 years ago in Goal 3 Action 2a. There were no written comments submitted to the superintendent for written response on this meeting.

During the course of the year, the District notably improved its efforts to reach out to stakeholders. All of the State Priorities were presented at the stakeholder meetings starting in March 14, 2018 through April 10, 2018. In addition, an update on the progress achieved towards the goals, actions, and services along with CA Dashboard data and additional data which included the following: Attendance Summary, Discipline Notice and Suspension/Expulsion Data, 2016/2017 SBAC 3rd – 8th Spring 2017 Scores, and the number of students involved in extracurricular activities were shared.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The input from stakeholder groups was instrumental in the development of the Local Control Accountability Plan. Each group provided valuable input regarding the needs and services for each of the applicable pupil subgroups as well as for all pupils regardless of subgroup.

The LCAP team found that the SCC were satisfied with the goals and actions presented for this year's LCAP and for the subsequent 2 years given.

The LCAP team found the board members satisfied with the goals and actions for the next two years. It was announced to the board that the Final LCAP was approved by Fresno County and be posted September 15, 2018.

Members of the LCAP team met with the D/ELAC team to present the 3 LCAP goals for the 2018---19 school year.

- 1) All students will increase achievement and proficiency levels in ELA, Math and ELD; increase levels of English Learner Proficiency for English Learners.
- 2) Increase the positive school climate and maintain facilities in good repair.
- 3) Increase stakeholder engagement and parent education opportunities.

Analysis of District/School data and input from stakeholders guided the development of goals and actions/services related to the needs of our students and families. Due to the high concentration of unduplicated pupils, the scope for all actions/services is LEA wide. Parents mentioned the importance to continue to work on academic learning programs and school safety. DELAC Parents

added that they were happy with the new changes this year with the new Reading Programs, Reading Lab Staff including the part-time intervention teachers, bilingual instructional aides, PE and Music teachers and the PBIS program year two implementation with Silver Level School Award.

The LCAP surveys and comments revealed themes related to increasing achievement and proficiency levels in ELA, Math and ELD; increasing positive school climate and maintaining facilities in good repair; and increasing stakeholder engagement and parent education opportunities. Continuing/increasing academic supports and enrichment, Music Program, PE program social and emotion supports for students and families, strengthen the academic intervention program, professional learning and instructional resources, parent engagement and educational services, and 21st Century learning skills and educational technology topped the list of needed services/actions. These actions are found in (Goal 1; Actions 2a - 6a).

The LCAP Team found the Board Members satisfied with the actions and services implemented in the LCAP throughout the year. Board members asked if the data has been presented to all parents. It was stated by the School Principal and LCAP team that parents and stakeholders are aware of the students' test scores data, including actions and activities implemented on the LCAP this year 2016---17. The Board indicated that the presentation is helpful, connects goals to specific actions, dollar amounts can see the dollars that are involved. Hopefully parents will share this with other parents.

The MS Leadership class was satisfied with the accomplishments this year and they have indicated to have more activities in school, more science materials, better sports materials, more ELA projects, more white boards, more equipment, a reading club and more fundraising events for Educational and Fun field trips. These actions are found in (Goal 2; 1a - 6a)

The LCAP team met with the DAC committee to review the goals, actions and expenditures. The input received was to clarify intervention/coordinator position description from fulltime to part---time. The DAC committee was satisfied with the draft of the LCAP.

The improved and increased input from stakeholders significantly impacted the development of activities/services as outlined in Section 2.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 1

All students will increase achievement and proficiency levels in ELA, Math and ELD; increase levels of English Proficiency for English Learners.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 2: State Standards (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 6: School Climate (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

State assessment results from CA DASHBOARD data from ELA, Math and ELD indicate Yellow performance for all students

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
1- Properly Credentialed teachers with no misassignments nor vacancies as measured by Credentials or SARC review	For 2015-2016 100% Properly Credentialed with no misassignments or vacancies	100% Properly Credentialed with no misassignments or vacancies	100% Properly Credentialed with no misassignments or vacancies	100% Properly Credentialed with no misassignments or vacancies

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
2-Sufficient core instructional materials as measured by annual board resolution of 'Sufficiency of Instructional Materials' or SARC review	2016-2017 School board adoption of "sufficiency of Instructional Materials" resolution	100% sufficient instructional materials	100% sufficient instructional materials	100% sufficient instructional materials
4-State Standards Implemented as measured by the State Reflection Tool	2016-2017 Average Score TBD in Fall 2017	Average score will increase.	Baseline: Average Score in Fall 2017 is 3.16 Average score will increase by .25	Average score will increase by .25
5-EL access to state standards/ELD standards (included with tool used above)	2016-2017 Average Score TBD Fall 2017	Average score will increase.	Baseline: Average Score in Fall 2017 is 4.0 Average score of 3.75 or higher	Average score of 4.0 or higher
7-State Standardized Assessments as measured by Math CAASPP scores Distance from level 3	2015-2016 -63.4 points below Growth= 13 points	<ul style="list-style-type: none"> • 50.4 points below Growth= 13 points	<ul style="list-style-type: none"> • 37.4 points below Growth= 13 points	<ul style="list-style-type: none"> • 24.4 points below Growth= 13 points
7-State Standardized Assessments as measured by ELA scores Distance from level 3	2015-2016 -53.7 points below Growth= 9.7 points	<ul style="list-style-type: none"> • 44 points below Growth= 9.7 points	<ul style="list-style-type: none"> • 34.3 points below Growth= 9.7points	<ul style="list-style-type: none"> • 24.6 points below Growth= 9.7 points
10-EL annual growth as measured by CELDT/ELPAC annual growth data	2014-2015 58.1%	maintain or increase annual growth	maintain or increase annual growth (Note: The ELPI was incorrectly reported as the baseline data for 2014-15. The correct	maintain or increase annual growth

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
			baseline data is 58.21% for 2015-2016.)	
11-EL reclassification as measured by prior year number of re-designated students	2015 - 16 at 7%	11%	14%	17%
22-Access to a broad course of study as measured by review of teacher and/or master schedules	2015-2016 100% access to a broad course of study at all school sites	100% access to a broad course of study at all school sites	100% access to a broad course of study at all school sites	100% access to a broad course of study at all school sites
23-Other Pupil Outcomes as measured by average growth on STAR Assessment	2016-17 Baseline STAR/AR Independent Reading Level (IRL) Average Growth (.45)	STAR/AR Independent Reading Level (IRL) Average Growth (.60)	STAR/AR Independent Reading Level (IRL) Average Growth (.75)	STAR/AR Independent Reading Level (IRL) Average Growth (.90)

Planned Actions / Services

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

3a.) The results of the CA Dashboard ELA Performance indicators show improvement is needed with respect of our English Learners and Students with Disabilities SED groups. Our indicator is Yellow overall and Orange for ELs and Red for Students with Disabilities groups. These two groups have the lowest performance of all groups on the ELA CAASPP. To address this need Washington Colony will provide additional instructional support personnel at early primary grades and will hire 2 Part-time Intervention Teachers and 2 Bilingual Instructional Aides for the Reading Lab and additional EL support including a Library Aide. In addition, Special Ed Teachers will create a Collaborative Intervention model with Regular Teachers and Reading Lab Intervention Teachers that includes teaching strategies, intervention materials and data analysis every four weeks. It is our expectation that students will receive the extra reading daily small group reading support to reduce the largest reading gap and the expectations of these services will result in increased performance of EL, SED, SPED students on the ELA CAASPP over the course of the next three years.

(Select from New Goal, Modified Goal, or Unchanged Goal)

Unchanged Goal

Goal 2

Increase positive school climate and maintain facilities in good repair.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
 Priority 2: State Standards (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 6: School Climate (Engagement)
 Priority 7: Course Access (Conditions of Learning)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

Average daily attendance: 95%; percentage of students suspended: <1%; percentage of students expelled: 0%; middle school dropout rate: 0%; overall facilities rating: good

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
3-Facilities Maintained as measured by annual FITs or SARC review	For 2015-2016 All (100%) site FITs scored "good" or higher	All (100%) site FITs will score "good" or higher	All (100%) site FITs will score "good" or higher	All (100%) site FITs will score "good" or higher
14-Attendance as measured by district average attendance	For 2015-16 95.38%	95.5%	95.62%	Maintain at 95.74% or higher

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
15-Chronic Absenteeism as measured by % students with 10% or more absenteeism	Baseline 2014-15 6%	5.5%	5%	4.5%
16-M.S. Dropout as measured by formula in LCAP appendix	2015-2016 0%	0%	0%	0%
19-Suspension rate	2013-14 5%	Decline by .30%	Decline by .60%	Decline by .90%
20-Expulsion rate	2014-15 0%	0%	0%	0%
21-School Climate Survey- % responses high levels for school connectedness and School Climate Index (SCI) on the CHKS survey.	Baseline 2016-17 CHKS (6-8) School Climate Index (SCI) = 314	(6-8) Maintain School Climate Index (SCI) above 300	(6-8) Maintain School Climate Index (SCI) above 300	(6-8) Maintain School Climate Index (SCI) above 300

Unchanged Goal

Goal 3

Increase stakeholder engagement and provide parent education

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

Local Priorities:

Identified Need:

Increase LEA parent engagement based on sign-in sheets for advisory group meetings, back-to-school night/open house, parent/teacher conferences, and parent education meeting; increase the number of parents participating in education program offerings by 5%.

Expected Annual Measurable Outcomes

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
6-Parental Engagement as measured by a summary of progress based either on 1) information collected through surveys of parents/guardians or 2) other local measures	Seeking Input in decision making by percentage of parent surveys collected. 2016-17 = 23.5%	Seeking Input in decision making by percentage of parent surveys collected. Increase by 10%	Seeking Input in decision making by percentage of parent surveys collected. Increase by 15%	Seeking Input in decision making by percentage of parent surveys collected. Increase by 20%

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Increase the number of offerings and parents participating in education program by 5%.	2015-16 at 23 dates of Education Program Offerings	Increase by 5%	Increase by 5%	Increase by 5%

Planned Actions / Services

Complete a copy of the following table for each of the LEA's Actions/Services. Duplicate the table, including Budgeted Expenditures, as needed.

Action 1

For Actions/Services not included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from All, Students with Disabilities, or Specific Student Groups)

All

Location(s):

(Select from All Schools, Specific Schools, and/or Specific Grade Spans)

All Schools

OR

For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement:

Students to be Served:

(Select from English Learners, Foster Youth, and/or Low Income)

[Add Students to be Served selection here]

Scope of Services:

(Select from LEA-wide, Schoolwide, or Limited to Unduplicated Student Group(s))

[Add Scope of Services selection here]

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

\$1,114,468

Percentage to Increase or Improve Services

33.76%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Using the calculation tool provided by the state Washington Colony Elementary School District has calculated that it will receive \$1,114,468 in Supplemental and Concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Actions & Services section of this plan and include

- ELA/ELD/MATH robust professional development for teachers and weekly PLC collaboration opportunities.
- Continue with two part-time intervention teachers and two bilingual instructional aides and supplemental implementation of a new Reading Lab, and STAR/AR reading programs
- Technology increase and accessibility and Smartboards to be installed in every classroom. All of our students have daily access to a chromebook device for ELA/ELD and Math instruction with student ratio of 1:1 school-wide
- Literacy ELA/ELD Coach Full-time for purpose on assisting classroom teachers and other staff in the implementation of ELA/ELD standards based instruction aligned to the claims and targets in SBAC for unduplicated students.
- Standards Aligned ELA/MATH/SCIENCE STEM supplemental curriculum, computer software, materials and supplies for instructional programs
- Full-time Music teacher, Full-time PE teacher in order to create additional PLC and Collaboration time for research-based best practices
- Early Literacy resources and staff support
- Accelerated Reader (AR) Program
- Positive Behavior Intervention & Supports (PBIS) program
- Tutoring
- Truancy Interventions
- Safety and Security Improvements
- Extracurricular trips

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

- Parent Education Opportunities
- Increase District/Site parent communication and involvement in District-wide activities; improve accessibility to websites, grading and attendance systems; purchase district mobile app, purchase student planners to increase communication from school to home regarding academic assignments and progress;
- Replace static marquee with digital messaging marquee

All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from our stakeholders. All these actions are principally directed toward our unduplicated student population to help Washington Colony Elementary School District be effective in meeting the goals of the LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Washington Colony Elementary School District.

Since our unduplicated student population count is 87.52% all of these actions and services are being performed on a schoolwide or districtwide basis in order increase efficiency of the delivery of these actions and services.

In addition using the same calculation tool the proportionality percentage has been calculated at 33.76%. Washington Colony ESD has demonstrated that it has met the 33.76% proportionality percentage by expending \$1,114,468 in funds on actions and services that are principally directed towards the unduplicated student population as summarized above and as explained in detail in this plan in the Goals, Actions & Service section.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2017-18**

Estimated Supplemental and Concentration Grant Funds

Percentage to Increase or Improve Services

\$1,052,349

34.99%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Using the calculation tool provided by the state Washington Colony Elementary School District has calculated that it will receive \$1,052,349 in Supplemental and Concentration funding under the Local Control Funding Formula (LCFF). The details of these expenditures are itemized in the Goals, Actions & Services section of this plan and include

- ELA/ELD/MATH robust professional development for teachers and weekly PLC collaboration opportunities.
- Continue with two part-time intervention teachers and two bilingual instructional aides and supplemental implementation of a new Reading Lab, and STAR/AR reading programs
- technology increase and accessibility and Smartboards to be installed in every classroom. All of our students have daily access to a chromebook device for ELA/ELD and Math instruction with student ratio of 1:1 school-wide
- Reading Lab,
- Full-time Music teacher, Full-time PE teacher in order to create additional PLC and Collaboration time for research-based best practices
- Early Literacy resources and staff support
- Accelerated Reader (AR) Program
- Positive Behavior Intervention & Supports (PBIS) program.
- Tutoring
- Truancy Interventions
- Safety and Security Improvements
- Extracurricular trips
- Parent Education Opportunities

All actions and expenditures of funds marked as contributing to increased or improved services were taken with the needs of our unduplicated population in mind based on careful analysis of data and input from our stakeholders. All these actions are principally directed toward our unduplicated student population to help Washington Colony Elementary School District be effective in meeting the goals of the LEA. Under each action marked for increased or improved services is a detailed explanation of how that action is principally directed toward the unduplicated student population and effective in helping those students meet the goals of Washington Colony Elementary School District.

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Since our unduplicated student population count is 87.94% all of these actions and services are being performed on a schoolwide or districtwide basis in order increase efficiency of the delivery of these actions and services.

In addition using the same calculation tool the proportionality percentage has been calculated at 34.99%. Washington Colony ESD has demonstrated that it has met the 34.99% proportionality percentage by expending \$1,052,349 in funds on actions and services that are principally directed towards the unduplicated student population as summarized above and as explained in detail in this plan in the Goals, Actions & Service section.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Plan Summary

Annual Update

Stakeholder Engagement

Goals, Actions, and Services

Planned Actions/Services

Demonstration of Increased or Improved Services for Unduplicated Students

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year. When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fq/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with

the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.

- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)
- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided

in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student

Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *EC* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the “Demonstration of Increased or Improved Services for Unduplicated Students” table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
 - b. Mathematics – CCSS for Mathematics
 - c. English Language Development (ELD)
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. S broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:
 - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in 5 *CCR* Section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
 - (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
 - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, October 2016
