## COURT & COMMUNITY SCHOOLS

### Parent and Community Members LCAP Stakeholder Forum

**WHAT:** California recently adopted a new formula for deciding how funding is distributed to schools, called the Local Control Funding Formula (LCFF). The LCFF requires schools to develop a Local Control and Accountability Plan (LCAP) with input from parents, students, staff, and other stakeholders. The LCAP describes the schools' goals for students and the actions and resources that will be used to achieve these goals. PARENTS, WE WANT TO HEAR FROM YOU!
