If Contractor refuses to provide any Required Document or corrected, updated, of effective version thereof, FCSS shall have the right to withhold payment of any or all of the Site Contract Amounts or Order Amounts due to Contractor until such time that FCSS receives the Required Document from Contractor.

1.8.2 CONFIDENTIAL MATERIAL. If any documents and/or information (for example and not as a limitation, employee or student record) that are subject to nondisclosure or protection under federal and/or California laws (collectively and separately "Confidential Material") are provided to or created by Contractor for or pursuant to this Master Contract, Contractor shall: (A) not release, disseminate, publish, or disclose the Confidential Material, except as required by law or a court order or as this Master Contract may permit; (B) unless specifically permitted by Applicable Law, not use the Confidential Material for any purpose not related to Contractor's performance of this Master Contract and each Site Contract or Tutoring Services Order; and (C) protect and secure the Confidential Material, including Confidential Material saved or stored in an electronic form, to ensure that it is safe from theft, loss, destruction, erasure, alteration, and unauthorized viewing, duplication, and use. Contractor is being provided with access to and/or possession of the Confidential Material to perform the Services as a "school official," as that term is defined by the Family Educational Rights and Privacy Act ("FERPA"). FCSS asserts that Contractor qualifies as a school official under FERPA because Contractor: (A) is providing services to FCSS for which FCSS may otherwise use its employees; (B) will remain under the direct control of FCSS with respect to the use and maintenance of the Confidential Material; and (C) will comply with Confidential Material use and disclosure requirements. The provisions of this Section 1.8.2 shall survive the termination of this Master Contract and the applicable Site Contract or Tutoring Services Order.

1.8.3 RECORD RETENTION, INSPECTION, AND AUDIT. Contractor shall maintain accurate books and records of all Services provided under, amounts billed pursuant to, and all documents required of Contractor under this Master Contract and each applicable Site Contract or Tutoring Services Order for at least five years after the date on which this Master Contract terminates and make them available, upon FCSS' request, for review, audit, and/or copying by FCSS and/or any federal or state agencies. Upon FCSS' written notice to Contractor that a longer retention period is necessary in order for FCSS to comply with records retention requirements under a court order or federal or state laws, Contractor shall continue to retain such books and records for the period stated in FCSS' notice. This Master Contract involves the expenditure of $10,000 or more in funds from the State of California and is subject, for three years after the final payment is made, to the State Auditor's examination and audit at FCSS' request or as part of an audit of FCSS. The provisions of this Section 1.8.3 shall survive the termination of this Master Contract and each applicable Site Contract or Tutoring Services Order.
SECTION 1.9 COMPLIANCE WITH APPLICABLE LAWS AND GRANT.

1.9.1 GENERALLY. Each Party shall comply with all laws and regulations (collectively “Law”) applicable to its performance of this Master Contract and each applicable Site Contract or Tutoring Services Order, and all Law that it agrees to comply under this Master Contract (referred to collectively and separately as “Applicable Law” and shall include applicable laws and Law that are in effect as of the Effective Date or become effective during the Master Contract Term). Each Applicable Law is deemed inserted herein; however, if any conflict or inconsistency exists between a provision in this Master Contract and an Applicable Law, the provision in this Master Contract shall govern except where such provision is specifically prohibited or void by the Applicable Law in which case the Applicable Law shall govern to the extent provided therein. Applicable Law, as used in this Section 1.9.1, shall include the policies, regulations, and procedures of the School Site on which Contractor is providing Base Services or Supplemental Services to the extent they relate to the use of facilities, ground spaces, and personal properties of the School Site, safety, and emergency procedures.

1.9.2 FEDERAL GRANT FUNDS. The Services to be provided pursuant to this Master Contract and each applicable Site Contract or Tutoring Services Order are paid, in part or in whole, with federal grant funds under 21st Century Community Learning Centers. Each Party shall comply with federal laws, regulations, and requirements applicable to such federal grant funds. Contractor represents that it is not debarred, suspended, or otherwise excluded or ineligible to be awarded this Master Contract. Contractor shall comply with federal suspension and debarment regulations, including, but not limited to, regulations implementing Executive Orders 12549 and 12689. Contractor shall also comply with: (A) applicable federal laws, regulations, and requirements, including but not be limited to, non-discrimination based on race, color, national origin, sex, disability, or age; (B) applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387); and (C) Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. Upon FCSS’ request, whether during or after the Master Contract Term, Contractor shall cooperate with and provide FCSS with documents and information relating to this Master Contract and each applicable Site Contract or Tutoring Services Order that are necessary for FCSS to comply with applicable federal laws, regulations, and requirements. The provisions of this Section 1.9.2 shall survive the termination of this Master Contract and each applicable Site Contract or Tutoring Services Order.

ARTICLE 2 PAYMENT.

As full consideration and compensation for Contractor’s performance of its obligations under this Master Contract and Basic Services or Supplemental Services required under a Site Contract, FCSS shall pay Contractor in accordance with the Staff Position Hourly Rates set forth in the Staff Positions and Staff Position Hourly Rates Schedule (RFP Document D-2), to be billed in 15-minute increments for the time during which a Staff Position performs Base Services or Supplemental Services in accordance with this Master Contract and the applicable Site Contract. Contractor shall refund to FCSS any amount that is in excess of the Site Contract Amount within 30 days of receiving a written demand from FCSS.

The total amount FCSS pays to Contractor for Tutoring Services shall not exceed the Order Amount stated in the applicable Tutoring Services Order. Contractor shall refund to FCSS any amount that is in excess of the Order Amount within 30 days of receiving a written demand from FCSS.

SECTION 2.3 MINIMUM WAGE ADJUSTMENTS. The Staff Position Hourly Rates and Tutoring Hourly Rates may be adjusted due to changes in the minimum wage rates by written amendment to this Master Contract executed by the Parties. Contractor shall notify FCSS in writing of any requests for adjustment due
to changes in the minimum wage rates, stating, at a minimum, the particular changes to the minimum wage rates, proposed changes to the Staff Position Hourly Rates for the Staff Positions, proposed changes to the Tutoring Hourly Rates for the Tutor Staff Positions, and the proposed effective date of the adjustments.

SECTION 2.4 EXCLUDED CHARGES. 2.5.1.6 Amount that Contractor is requesting as compensation for Base Services or Supplemental Services performed in accordance with this Master Contract and the Site Contract. Each amount for Base Services or Supplemental Services shall be based on the Staff Positions and Staff Position Hourly Rates set forth in the Staff Positions and Staff Position Hourly Rates Schedule (RFP Document D-2). The applicable Staff Position Hourly Rate shall be billed in 15-minute increments and based on the time that the Staff Position actually spent performing the Base Services or Supplemental Services.

2.5.3 ADDITIONAL INFORMATION. Upon receiving an invoice and if FCSS objects to it and/or requires additional information, FCSS shall notify Contractor and Contractor shall provide such information to FCSS within 10 days after Contractor receives FCSS' notice. If Contractor fails or refuses to provide the additional information, FCSS shall have the right to withhold payment of any or all of the Site Contract Amount of the applicable Site Contract or any or all of the Order Amount of the applicable Tutoring Services Order until such time that FCSS receives such information from Contractor.

2.5.4 DECLARATION UNDER PENALTY OF PERJURY. FCSS may deduct from each payment, if applicable, withholdings required by applicable laws, including but not limited to, those for non-California or foreign residents. Contractor’s acceptance of any payment under a Site Contract or Tutoring Services Order shall constitute, effective on the date of acceptance, a release of all claims and liabilities that Contractor has or may have against FCSS for any additional payment for the Services, and/or matters, for which the payment was made. However, FCSS' payment shall not relieve Contractor of Contractor's obligations under this Master Contract and the applicable Site Contract or Tutoring Services Order, or for deficient or defective Services that FCSS discovers after the payment is made.

SECTION 2.7 REFUND OF PAID CONTRACT AMOUNT FOR NON-PERFORMED SERVICES. The Parties agree that FCSS is obligated to pay Contractor only for Services that Contractor performs in accordance with this Master Contract and the applicable Site Contract or Tutoring Services Order. Contractor hereby agrees to refund and pay to FCSS any portion of any Site Contract Amount or Order Amount that Contractor may receive for which Contractor has not performed Services in accordance with this Master Contract and the applicable Site Contract or Tutoring Services Order, such payment to be made by Contractor to FCSS within 30 days of FCSS' written demand for such refund and payment.

ARTICLE 3 TERM AND TERMINATION OF MASTER CONTRACT; AND SUSPENSION OF SERVICES.

SECTION 3.1 MASTER CONTRACT TERM AND EXTENSION. This Master Contract is effective on the Effective Date and continues in full force and effect thereafter until and including the Termination Date ("Initial Master Contract Term") and any written extension thereto ("Master Contract Term") and, unless terminated during the Master Contract Term in accordance with Section 3.2 below, shall terminate at 12:00 midnight on the last day of the Master Contract Term without any notice or action by either Party. Thereafter, the Parties shall enter into a written amendment to extend the Initial Master Contract Term or then effective Master Contract Term for up to two one-year extensions.

SECTION 3.2 GROUNDS FOR TERMINATION OF MASTER CONTRACT DURING MASTER CONTRACT TERM.

3.2.1 CAUSE. This Master Contract shall terminate upon expiration of the Master Contract Term. During the Master Contract Term, this Master Contract may be terminated pursuant to the following:

3.2.1.1 TERMINATION BY FCSS. FCSS may terminate this Master Contract upon Contractor's material breach of one or more provisions of this Master Contract, a Site Contract, or a

3.2.1.3 NOTICE OF TERMINATION. A Party intending to terminate this Master Contract pursuant to Section 3.2.1.1 or Section 3.2.1.2 shall provide the breaching Party with written notice at least 30 days ("Termination Notice Period") before the effective termination date and provide the breaching Party with five business days after the date that the breaching Party received the non-breaching Party's notice to terminate ("Cure Period") to cure unless the non-breaching Party shall agree in writing to an extension of the Cure Period before the expiration of the Cure Period. Upon expiration of the Cure Period and any mutually agreed upon time extension, and if the breaching Party has not cured the breach and provided written notice of completion of such corrective action to the non-breaching Party, this Master Contract shall terminate effective 12:00 midnight on the last day of the Cure Period without any further notice or actions by either Party.

3.2.2 ADDITIONAL GROUNDS. Notwithstanding any provisions to the contrary in this Master Contract, this Master Contract shall terminate during the Master Contract Term pursuant to any of the following:

Contractor shall provide FCSS with written notice within 15 days of the occurrence of any of the aforementioned events.

3.2.2.4 CONTRACTOR UNAUTHORIZED SUBCONTRACT, ASSIGNMENT, OR TRANSFER OF CONTRACT. Any subcontract, assignment, or transfer of this Master Contract, any Site Contract, or any Tutoring Services Order by Contractor in violation of the provisions in Section 7.3 constitutes a material breach of this Master Contract and FCSS, at FCSS' sole discretion and upon written notice to Contractor, may terminate this Master Contract effective on the date stated in FCSS' written notice.
3.2.2.5 CONTRACTOR FAILURE TO PRODUCE AND MAINTAIN REQUIRED INSURANCE. If Contractor fails to maintain any of the insurance required by this Master Contract, FCSS, upon providing Contractor with written notice, may terminate this Master Contract effective on the date stated in FCSS’ written notice.

3.2.2.6 NON-ALLOCATION OF OR INSUFFICIENT ALLOCATED FUNDS. Upon written notice to Contractor, FCSS may terminate this Master Contract effective on the date stated in FCSS’ notice if, during the Master Contract Term, FCSS and/or other government agencies and/or grant or funding entities from whom FCSS or a School District receives or is to receive funds to pay for the Site Contracts or Tutoring Services Orders entered into pursuant to this Master Contract: (1) reduce or eliminate some or all funds to make each such payment, (2) fail to or determine not to appropriate or allocate funds for future payments, or (3) fail or determine not to allocate funds in an amount sufficient to make future payments.

3.2.2.7 LICENSE, CERTIFICATION, OR PERMIT. FCSS, at FCSS’ sole discretion and upon written notice to Contractor, may terminate this Master Contract effective on the date stated in FCSS’ written notice if Contractor’s license, certification, or permit required to provide Services under this Master Contract has been revoked, repealed, suspended, or placed on probation by any governmental or accrediting agency.

3.2.2.8 OTHER GROUNDS. FCSS may terminate this Master Contract effective on the date stated in FCSS’ written notice of termination to Contractor pursuant to any of the following: (A) Contractor fails to provide to FCSS and/or comply with the Fingerprinting Certification; (B) Contractor fails to provide to FCSS and/or comply with the TB Certification; (C) Contractor’s legal rights to exist or conduct business in California has been revoked or terminated by the California Secretary of State, another agency, or a court; and/or (D) Contractor’s legal rights to exist or conduct business in California has been suspended or rendered inactive by the California Secretary of State, another agency, or a court and such suspension lasts more than 30 consecutive days.

SECTION 3.3 TERMINATION OF SITE CONTRACT OR TUTORING SERVICES ORDER. Each Site Contract and Tutoring Services Order shall terminate at 12:00 midnight on the last day of the Site Contract Term or Order Term without any notice or action by either Party. A Party, with or without cause, may terminate any Site Contract or Tutoring Services Order by giving the other Party written notice at least 30 days before the effective date of termination.

SECTION 3.4 RIGHTS AND OBLIGATIONS UPON TERMINATION.

3.4.1 EFFECT OF TERMINATION OF MASTER CONTRACT ON PENDING SITE CONTRACT AND TUTORING SERVICES ORDER. Termination of this Master Contract shall also terminate, on the effective termination date of this Master Contract, all Site Contracts where the Site Contract Term has not expired and Tutoring Services Order where the Order Term has not expired.

3.4.2 EFFECT OF TERMINATION OF SITE CONTRACT OR TUTORING SERVICES ORDER. Termination of a Site Contract or Tutoring Services Order shall only be effective as to that Site Contract or Tutoring Services Order. Such termination shall not terminate or affect any other Site Contracts or Tutoring Services Orders.

3.4.3 PAYMENT. Upon termination of this Master Contract during the Master Contract Term, the following shall apply and survive the termination of this Master Contract: (A) FCSS shall pay Contractor only for Services that Contractor is required to perform, and has performed in accordance with, this Master Contract and the applicable Site Contract or Tutoring Services Order before the effective date of termination; (B) Contractor shall submit an invoice within 30 days of the effective date of termination; (C) Sections 2.5 and 2.6 shall apply to Contractor’s invoice and FCSS’ payment under this Subsection; and (D) upon FCSS’ payment, if any has been invoiced by Contractor and is due to Contractor, FCSS is not obligated to make any further payment to Contractor, whether pursuant to contract, law or equity.

3.4.4 RETURN OF RECORDS AND INFORMATION. At FCSS’ request, all documents, records, data, information, and materials and other items that FCSS or School Districts provided to Contractor related to this Master Contract, any Site Contract, or any Tutoring Services Order shall be returned to FCSS.
no later than 30 days after the effective date of termination of this Master Contract or the date of FCSS' request, whichever is earlier.

SECTION 3.5 SUSPENSION OF SERVICES. Despite any contrary provision in this Master Contract, FCSS shall have the right to suspend, delay, or interrupt any or all Services at any time during the applicable Site Contract Term or Order Term by providing written notice to Contractor at least 15 days before the date on which the suspension, delay, or interruption is to begin, and stating the beginning and ending dates thereof ("Suspension Period"). Unless the Parties agree otherwise in writing, the following shall apply upon FCSS' exercise of the rights under this Section: (A) Contractor shall suspend, delay, or interrupt such Services as stated in FCSS' notice but shall continue to perform all other Services; (B) Contractor shall not be entitled to any compensation for Services that Contractor would have been required to perform under a Site Contract or Tutoring Services Order but did not perform during the Suspension Period, and the Site Contract Amount or Order Amount shall be adjusted to deduct the amount of such compensation and such adjustment shall be set forth in an amendment to the applicable Site Contract or Tutoring Services Order; (C) Contractor shall not be entitled to any damage, loss, or cost arising out of, resulting from, or relating to FCSS' exercise of its right under this Section or the Suspension Period; (D) Contractor shall resume performance of the suspended Services on the next business day following the last day of the Suspension Period; and (E) the Master Contract Term and Site Contract Term or Order Term shall remain the same.

SECTION 3.6 FORCE MAJEURE. A Party is not liable for failing to perform or delaying performance of this Master Contract or any Site Contract or Tutoring Services Order due to events that are beyond the Party's reasonable control and occurring without its fault or negligence, for example, acts of God such as tornadoes, lightning, earthquakes, hurricanes, floods, or other natural disasters (collectively "Force Majeure"), provided that the Party has promptly notified the other Party in writing of the occurrence of the Force Majeure, except that a Force Majeure shall not excuse FCSS' payment to Contractor of any portion of the Site Contract Amount or Order Amount that is due to Contractor where Contractor has performed, in accordance with this Master Contract and the applicable Site Contract or Tutoring Services Order, the Services for which payment is requested, and submitted an invoice and supporting information as required Section 2.5. Contractor shall not receive any payment for Services that Contractor did not perform during the period in which the Force Majeure occurred.

ARTICLE 4 INSURANCE.

SECTION 4.1 REQUIRED INSURANCE. Contractor, at its cost, shall maintain in effect insurance that complies, at a minimum, with the applicable requirements stated below. FCSS, in its sole discretion, may waive in writing any requirement in this Article; however, FCSS' failure to insist or request that Contractor comply with such requirements shall not constitute a waiver on FCSS' part. FCSS reserves the right to reject any insurance and/or to require that Contractor obtain insurance through an insurer satisfactory to FCSS.

4.1.1 Commercial General Liability, in effect throughout the Master Contract Term, coverage for property damage, bodily injury, and personal and advertising injury with limits of not less than $1,000,000 per occurrence and $2,000,000 general aggregate. This insurance shall contain a blanket additional insured endorsement or be endorsed to name the Fresno County Superintendent of Schools, the Fresno County Board of Education, the School Districts and their officers, employees, agents, and volunteers as an additional insured.

4.1.2 Workers Compensation in accordance with California laws and Employer's Liability Insurance with a limit of not less than $1,000,000 per accident, both of which shall be in effect throughout the Master Contract Term.

4.1.3 Commercial Automobile Liability, in effect throughout the Master Contract Term, with limits per accident not less than $1,000,000 and providing coverage, at a minimum, for non-owned and hired autos and, if there are any autos owned by Contractor, then also covering owned autos.

SECTION 4.2 PROOF AND NOTICE; DEDUCTIBLE OR SELF-INSURED RETENTION. Contractor shall provide to FCSS: (A) before commencement of any Services and from time to time as FCSS may request, written proof satisfactory to FCSS of the existence of the insurance required of Contractor, including any required endorsement; (B) upon FCSS' request, a copy of the insurance policy and/or other evidence of insurance satisfactory to FCSS; (C) no later than 15 days before the date on which a required insurance expires, written proof of renewal of the insurance, including any required endorsement; and (D) written notice within two business days of the occurrence of any of the following: (1) any required insurance is cancelled or non-renewed, (2) notice from the insurer that the insurer intends to or will cancel or non-renew the insurance,
and/or limit, restrict, or reduce Contractor's insurance coverage such that the insurance does not comply with the requirements in Section 4.1, or (3) any required insurance's policy limits have been reduced below those required in Section 4.1. Contractor shall disclose any deductible or self-insured retention for any of the required insurance. FCSS reserves the right to require that such deductible or self-insured retention be eliminated or reduced, that Contractor obtain a bond or other security guaranteeing payment of losses and costs within the limits of the deductible or self-insured retention, or that Contractor provide other assurances satisfactory to FCSS. Contractor's obligation to provide written proof of the insurance required under Section 4.1 shall survive the termination of this Master Contract.

ARTICLE 5 INDEMNITY.

Except as stated in the Fingerprinting Certification or the TB Certification in which case the indemnity provisions contained in each certificate required of Contractor shall govern to the extent provided therein, each Party's indemnity, defense, and hold harmless obligations to the other Party under or related to this Master Contract, any Site Contract, and any Tutoring Services Order shall be governed solely by this Article. A Party ("Indemnitor") shall: (A) indemnify and hold harmless the other Party ("Indemnitee") to the full extent permitted by California laws for any Loss sustained by Indemnitee or a Third Party only in proportion to Indemnitor's liability based on a Final Determination; and (B) defend and pay for all of Indemnitor's attorney's fees and litigation costs related to any Claim or Loss without any right against or from the Indemnitee for indemnity and/or hold harmless of such costs and fees, or any right for defense. A Party who intends to seek or seeks indemnity and/or hold harmless for any Loss from the other Party shall notify the other Party in writing and within a reasonable time after the Party knows or becomes aware of any Claim that may or will result in a Loss, describing, if known or determinable, the pertinent circumstances, all entities and persons involved, and the amount being claimed. A Party's obligations under this Article are not limited to or by any insurance that it maintains or the lack of insurance but apply to the full extent permitted by California laws, and shall survive the termination of this Master Contract. "Claim" means any claim, demand, lawsuit, cause of action, action, cross-claim, cross-action, and/or proceeding arising out of, resulting from, or relating to this Master Contract where there has been no Final Determination. "Loss" means any bodily injury, property damage, personal injury, advertising injury, liability, loss, damage, judgment, expense, and/or cost (excluding attorney's fees and litigation costs that a Party or a Third Party incurred or paid related to a Loss or Claim) arising out of, resulting from, or relating to this Master Contract and for which there has been a Final Determination that a Party is or both Parties are liable. "Third Party" means a person who or an entity that is not any of the following: (A) a Party; (B) an owner, director, officer, employee, or agent of Contractor; (C) an employee, agent, or volunteer of FCSS or a member, officer, or agent of the Fresno County Board of Education; or (D) contracted with (whether directly or through a subcontract of any level) or otherwise retained by a Party to act for or on the Party's behalf. "Final Determination" means any judgment, order, or decision, each a "Determination," by a court of competent jurisdiction or a governmental entity with jurisdiction to render the Determination where the Determination is not subject to appeal or the period for an appeal has expired.

ARTICLE 6 DISPUTE RESOLUTION.

The Parties shall meet and confer in good faith to resolve any dispute between them arising out of, resulting from, or relating to this Master Contract or any Site Contract or Tutoring Services Order, including any Claim or Loss for which a Party seeks indemnity pursuant to Article 5 and any dispute relating to this Master Contract or any Site Contract or Tutoring Services Order that arises or occurs after the termination of this Master Contract or the termination of a Site Contract or a Tutoring Services Order. During any dispute, FCSS' decision, for the time being, shall prevail and Contractor shall perform this Master Contract and the applicable Site Contract or Tutoring Services Order as FCSS directs without prejudice to a Final Determination, as this term is defined in Article 5. During a dispute regarding payment under this Master Contract or a Site Contract or Tutoring Services Order, FCSS shall pay Contractor the amount that is undisputed and due to Contractor; if a disputed amount is determined in a Final Determination to be due to Contractor, FCSS shall pay such amount to Contractor within 30 days of the date of the Final Determination, unless a different date is stated in the Final Determination or in an agreement executed by the Parties, in which case, FCSS shall pay Contractor in accordance therewith. Except for an action to preserve the status quo and/or prevent irreparable harm, a Party shall not commence any cause of action, action, lawsuit, or proceeding arising out of, resulting from, or relating to this Master Contract or any Site Contract or Tutoring Services Order until after the Party has complied with the provisions of this Article. The provisions of this Article shall survive the termination of this Master Contract or the applicable Site Contract or Tutoring Services Order.
ARTICLE 7 GENERAL PROVISIONS.

SECTION 7.1 ENTIRE AGREEMENT, EXECUTION, AMENDMENT, AND WAIVER. This Master Contract is a complete and exclusive statement of the Parties’ agreement under Code of Civil Procedure section 1856. The Parties may execute this Master Contract, a Site Contract, a Tutoring Services Order, and any amendment in counterparts such that each Party’s signature is on a separate page. A copy or an original of this Master Contract, a Site Contract, a Tutoring Services Order, or an amendment with the Parties’ signatures, whether original or transmitted by electronic means, shall be deemed a fully executed contract. The Parties may amend or waive any provision of this Master Contract, a Site Contract, or a Tutoring Services Order only by a writing executed by them.

SECTION 7.2 INTERPRETATION; APPLICABLE LAWS AND TIME ZONE; VENUE; SEVERABILITY; AND SURVIVAL OF TERMINATION. If there is uncertainty of any language in this Master Contract, the Site Contract, or a Tutoring Services Order, the Parties agree that Civil Code section 1654 shall not apply to interpret the uncertainty. The language of this Master Contract and any Site Contracts and Tutoring Services Orders shall be interpreted according to its fair meaning and not strictly for or against any Party and under California laws without giving effect to California’s choice of law provisions that may result in the application of the laws of another jurisdiction. All dates and times stated in this Master Contract, any Site Contracts, and any Tutoring Services Orders shall be according to Pacific Time.
