FCSS responds to the following questions submitted by potential respondents as follows:

1. Is there an area in the RFP Packet to include a delivery fee?

   No. The Base Price entered by respondents on the Proposal Form should be inclusive of delivery costs.

2. Will the estimated number of meals listed in the RFP Packet be needed starting January 11, 2021, or is there a phase-in approach planned?

   The number of meals is only approximate, and, as indicated by the Proposal Evaluation Sheet, FCSS is prioritizing flexibility. The current plan is to reopen the CTEC campus on January 13, 2021, which is anticipated to be the first day meals will be ordered under any contract resulting from this RFP. The actual number of meals should be clearer before then, but it remains highly subject to change.

3. On page 4 of the Student Meal Services Agreement, are only the items marked with an “X” required, or is everything listed required?

   Yes, only the items marked with an “X” under “Required Documents” on page 4 of the Student Meal Services Agreement are required. FCSS will not be requiring any potential vendor to obtain professional liability insurance, and will not be requiring any fingerprinting or tuberculosis documentation.

Except as stated in this Addendum or another addenda as issued by FCSS, all provisions in the RFP Packet remain applicable and all respondents shall comply with the provisions contained therein. **PLEASE BE SURE TO ACKNOWLEDGE RECEIPT OF THIS ADDENDUM NO. 1 ON PAGE 8 OF THE RFP PROPOSAL FORM.**
