Each Applicable Law is deemed inserted herein; however, if any conflict or inconsistency exists between a provision in the Contract and an Applicable Law, the provision in the Contract shall govern except where such provision is specifically prohibited or void by the Applicable Law in which case the Applicable Law shall govern to the extent provided therein. Each Party shall comply with each grant (if any) that provides funding to pay for the Contract and all Law and requirements applicable to such grant.

The provisions of this Subsection shall survive the termination of the Contract. To the extent Contractor's provision of the Services under this Contract will require Contractor staff to view, handle, create, or receive Confidential Material consisting of student records of FCSS's students or student services-recipients ("Pupil Records") that are subject to the Family Educational Rights and Privacy Act ("FERPA"), Contractor acknowledges and agrees, for the purposes of this Agreement, that Contractor is hereby designated as a "school official" with "legitimate educational interests" in the Pupil Records, as those terms are defined under FERPA and its implementing regulations. Contractor agrees to abide by the FERPA limitations and requirements imposed by 34 CFR 99.33(a) on school officials, including that Contractor will not disclose Pupil Records to any other party without the prior written consent of each pupil's parent or eligible pupil.

If the Contract involves the expenditure of \$10,000 or more in funds from the State of California, it is subject, for three years after the final payment is made, to the State Auditor's examination and audit at FCSS' request or as part of an audit of FCSS. The provisions of this Subsection shall survive the termination of the Contract.

SECTION 1.8 COOPERATION AND COORDINATION. If Contractor is replacing a third party in the provision of the Services, Contractor shall cooperate and coordinate with the third party and FCSS to facilitate an orderly transition of Services in order to minimize disruption and interruption of FCSS' operations and programs.

ARTICLE 2 PAYMENT.

SECTION 2.1 PAYMENT. Compensation for Contractor's performance of the Contract and Services are as stated on the Cover. Except as stated in this Agreement or an amendment to the Contract, Contractor shall not be entitled to any other payment from FCSS; in the event Contractor has received any payment that is not set forth in this Agreement or an amendment to the Contract, Contractor shall refund such payment to FCSS within 30 days of FCSS' request. SECTION 2.3 DEDUCTION AND RELEASE. FCSS may deduct from each payment, if applicable, withholdings required by applicable laws, including but not limited to, those for non-California or foreign residents. Contractor's acceptance of any payment under the Contract shall constitute, effective on the date of acceptance, a release of all claims and liabilities that Contractor has or may have against FCSS for any additional payment for the Services, and/or matters, for which the payment was made. However, FCSS' payment shall not relieve Contractor of Contractor's obligations under the Contract or for deficient or defective Services that FCSS discovers after the payment is made.
